MEMORANDUM FOR: WH/Admin.

25X1A

SUBJECT : Income Tax Return for [REDACTED]

REFERENCE : [REDACTED]

25X1A

1. It is believed that in general the approach suggested in paragraph 2 of the inclosure to the reference is satisfactory. However, [REDACTED] should be instructed not to list any individual source of income. His occupation and source of income could be set forth as "Research Consultant," "Research Specialist in Economics" or whatever would seem most plausible. 25X1A

2. Since [REDACTED] listed occupation will apparently involve self-employment, he should file a Schedule C (attached to Form 1040) and pay the appropriate self-employment tax which is entered as Item 5 (B) on Form 1040. In the event he should receive any communication from the Internal Revenue Service, and this possibility at this time is considered remote, a noncommittal reply should be made and contact should be had immediately with this office. In this connection, see Agency [REDACTED]
